

Pumping Up Your Confidence On Diabetes Technology

February 19th, 2024 from 8:30 am to 12pm

With registration starting at 8am

Cost 30\$ Cash or Check

Please make check out to the BD Diabetes Center

Malcolm Forbes Auditorium at Morristown Medical Center

100 Madison Ave Morristown NJ 07960

Hosted by: BD Diabetes Center

Keynote Speaker: *Kristin Sabanosh APN CDCES and Yelizaveta Yelin RN BSN*

Learning Outcome:

Upon completion of this activity:

1. The nurse will state increased knowledge in preventing hypo/hyperglycemia while using a hybrid vs manual pump, validated by an increase in posttest scores.
2. Patients from the BD Diabetes center will show a reduction in Diabetes related absences from school in the 6 months following the program.

2.5 NJSNA Contact Hours (pending approval)

Successful completion – Criteria for awarding nursing contact hours:

- Participants must sign in and fill out pretest.
- Attend entire program
- Complete posttest and an evaluation form

- There is no commercial support for this activity.
- All speakers and planners have no vested interest related to this CNE activity and agree that this activity will be free of bias. Disclosure forms are required and reviewed for any issues.

Atlantic Health System is approved as a provider of nursing continuing professional development by New Jersey State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. P184-5/21-24.
